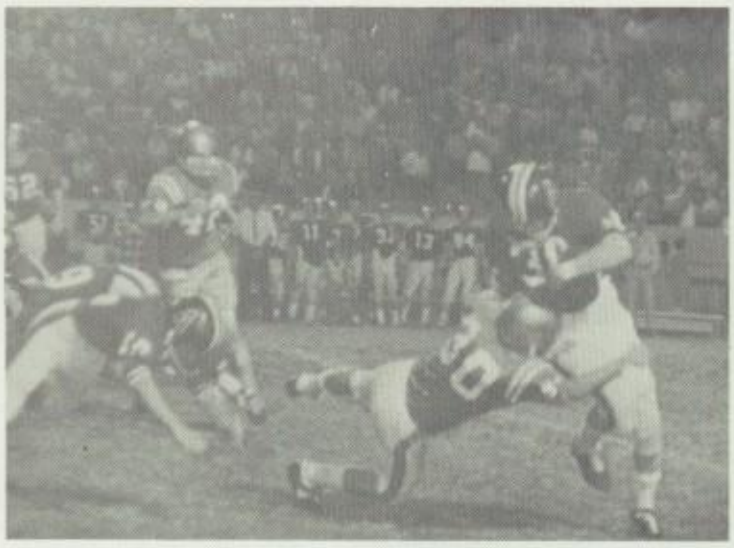
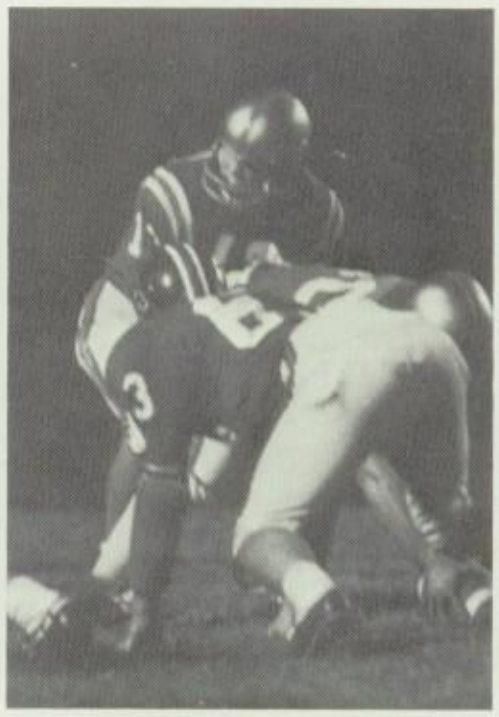
Coach Bob Greer

## Southwest 21 Sprayberry 0

The first time the Wolves came on the field proved to be a victory. The passing of Bernard Scruggs and the running of Alan Hogan and a strong Wolf defense, led the team in the defeat of the Yellow Jackets 21 to 0.

Avondale showed Southwest their first loss by defeating the Wolves 45 to 0. The game was at Avondale's "Death Valley." Southwest was never able to get started while the Blue Devils had everything going for them.

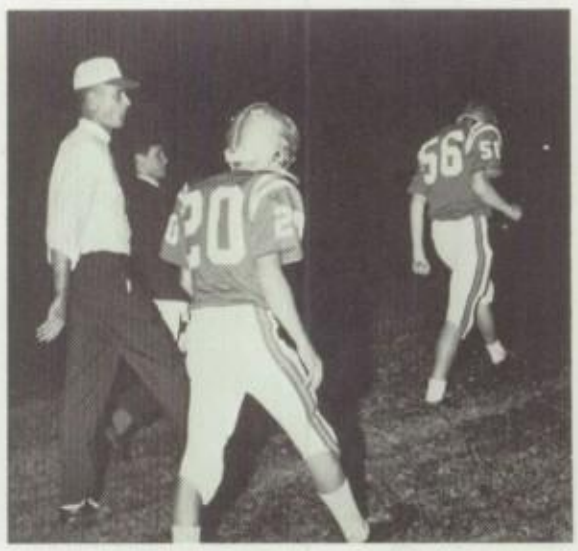


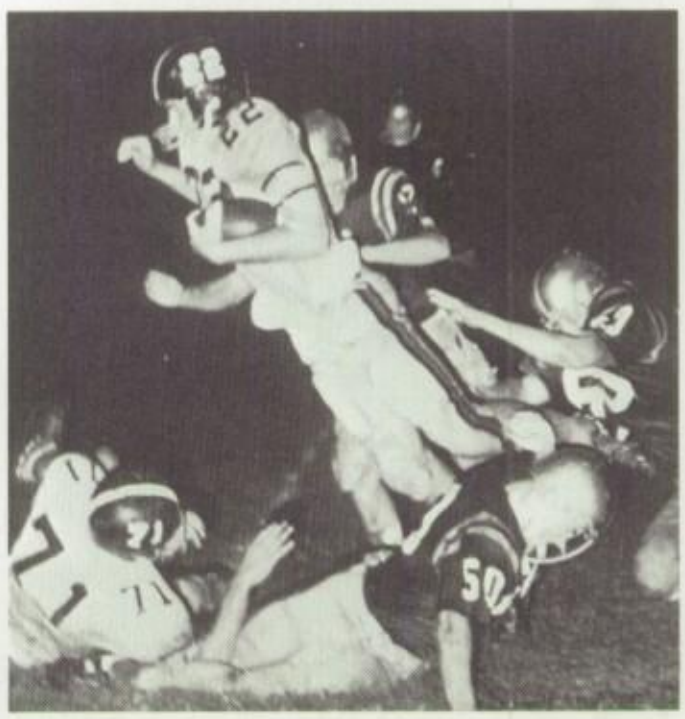


## Southwest 0 Avondale 45

## Southwest 10 Harper 14

In the last of the non-region games, Southwest was defeated by a very quick Harper team. The Wolves were only able to manage 10 points to the Trojans' 14. All of our scoring was done by Bernard Scruggs.





Southwest began its region games by meeting R. E. Lee at Thomaston. Several fumbles and many unfortunate penalties cost the Wolves the game. The final score was 17 to 14.

## Southwest 14 R. E. Lee 17

## Southwest 17 Woodward 14

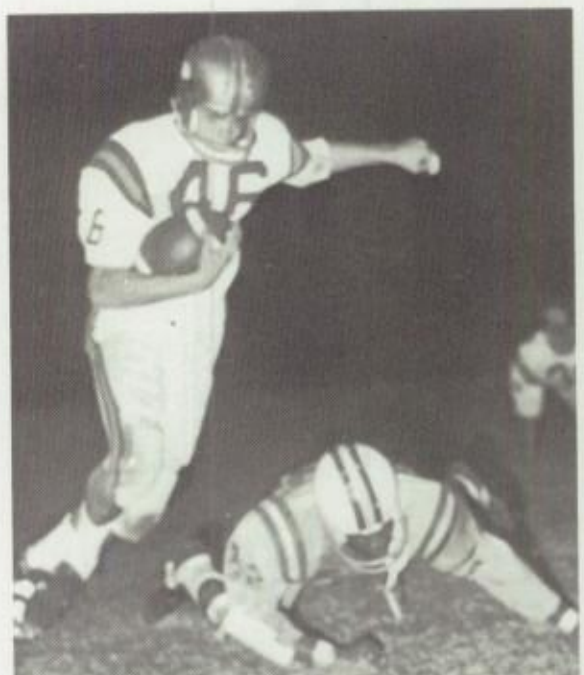
Woodward Academy was edged out by Southwest. Bernard Scruggs led the Wolves to their 17 to 14 victory. A last half field goal by Bernard, proved to be the margin of victory.

The very exciting Southwest team scored in every quarter to spark the Wolves to a convincing victory over the Forest Park Panthers. The running of Ronnie Garner was an important factor in this game, as it was the entire season.

## Southwest 24 Forest Park 19

## Southwest 21 Jonesboro 6

In the Wolves Homecoming game Southwest was victorious by a 21 to 6 score over Jonesboro. Ronnie Garner ran for two touchdowns; the third was scored by Alan Hogan. During the halftime, Marlyn Kirk was crowned the 1966 Homecoming queen.

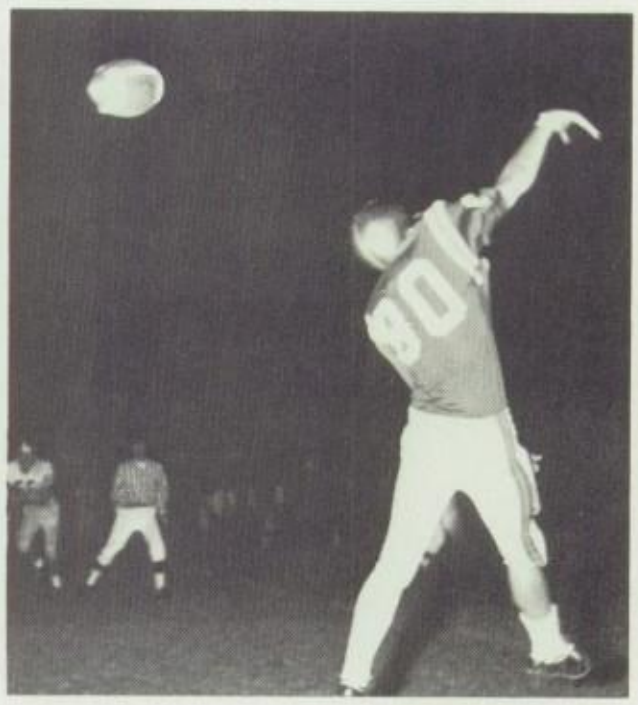


Southwest showed Archer their ability to play first class football by defeating them 14 to 9. Touchdown passes to Richard Horton and Gary Massengale accounted for the Wolves 14 points.

## Southwest 14 Archer 9

## Southwest 13 Griffin 13

The Wolves fought Griffin to a disappointing 13 to 13 tie. The strong Wolf defense, led by Bob Finnell, played a spirited game.



In the last region game Southwest was again victorious. Ronnie Garner was again the standout of the offensive team. The Wolf defense held South Fulton scoreless.

## Southwest 21 South Fulton 0

Who are the leaders? Quite often they are those who strive for wisdom, because of interest in understanding their fellow workers. They are those who are modest and kind to the humble and the unfortunate. Above all, they strive to direct and add to the welfare of others, having a worthy pride in their guidance and leadership. These are our leaders at Southwest High.

*The Class of 1967 represents a period of transition in the history of Southwest High School. Much change has been evident. Those students who terminated their high school education this year with graduation face a period of internal change. They are faced with experiences and problems alien to their life at Southwest High School. Whether or not any student attains success after graduation depends upon how much that student has contributed to his own education. All the maturity, knowledge and confidence gained by these Seniors here at Southwest will be brought to bear in a very real struggle for achievement.*

*Avoid the reeking herd,*
*Shun the polluted flock,*
*Live like a stoic bird,*
*The eagle of the rock.*

*If you would keep your soul*
*From spotted sight or sound,*
*Live like the velvet mole;*
*Go burrow underground.*

Dear Staff,

It is the time to sit back and reflect on the events of the past year; the hard work, the light moments and good times. But now we must all ask ourselves, "Have we created anything worthwhile, something really lasting?"

I believe we have.

We have incorporated many innovations and simplifications into our book to make it more enjoyable to the reader. In breaking from the tried ways we have created something new and different. The true test of our ideas however will be in the years to come when these ideas will either be accepted or rejected.

I would like to sincerely thank each and every one of you for a job well done. I have found that by working together we can accomplish our goal.

I am sure you all join me in thanking Malcolm Newell and crew, our photographer; William Brandon, our representative from American; Mrs. Marilyn Brownlee, our type setter; and especially Eugene Bales, our advisor, without whom we could not have published this book.

I would again like to thank the staff for the work and memories they have given me.

Sincerely,

Bill Jones,
Editor-in-Chief

Sandra,
Its been really great
knowing you this year.
Your one of the sweetest
girls I've known! Stay
that way and don't ever
change. Don't forget all
our goofy times—in History
etc. Be good and good
luck in the future

"Class of
'69
is fine"

Always will be
Carolyn

To a sweet girl and a good friend
I wish you'd do your Spanish homework
more so I could copy it.

Best of luck

Dale Baird

Sandra,
It's been a
pleasure having
you in class. You're a very
good student even though
you had little trouble with
fractions.

Mrs. Bartl

Golly

Green ink! I'm a green giant, but a worst actress. If it matters, turn to page 47.

Sandra:

It's been great fun in biology and W. Hist with you. It's been a tough year with Melean & Freddie & Cuba, but somehow we made it. You are one of the greatest girls I know and I hope you can stay as cute as you are. I hope we'll have plenty of classes together next year because I'll be needing lots of help. So, until next year So long.

Randy

Sandra,
It seems like I just can't get away from you. First summer school and now 6th period. Don't get me wrong, it's been great. Lots of luck to great gal.

Love,
Anne
(Killie)

SANDRA,
THANKYOU FOR THE HELP IN ALGEBRA, I COULD'NOT HAVE MADE IT WITHOUT YOU AND ANNE. HAVE FUN THIS SUMMER. SEE YOU NEXT YEAR.

Reserved

Sandra, (my messenger)

I'm sorry I haven't known you before now. You're a fine person and have a great personality. You are always so sweet and have only gotten mad at me once (remember) Hope we can always continue to be friends and go to the Varsity together. I wish you the best in all you do because you deserve it.

your friend

Janice Haney

Reserved

Sandra,
I sure has been fun in English this year. Just think of all the times I didn't have come into class so mad I couldn't even think. You know maybe someday Jan & I will get straightened out between us, & hope so. You have been a great friend to listen to all that junk I use to get off my mind. I hope you felt that I am a good friend because I consider you a great friend. Have fun this summer & think of me once in a while.

Love ya
Vicky
& Jan

To a real sweet and cute kid
Always
Debby

Sandra,
It's been great being with you in Algebra. We really have had it. Have a real good time and stay happy!
Jim

Sandy,
Sometimes I don't understand you, but I guess that runs in the feminine gender. You're a lot of fun this year. You've been a cute and happy smile with corny jokes with a real nice girl - you're a real nice girl - don't change.
Always,
Bruce

Sandra,

It's been great knowing you this year in chorus. I only wish we could have been better friends. You are a good singer and should really go far next year in chorus. Have a good summer and good luck in the coming years.

Love,
Vicki

Sandra,

I know I'm a little rough sometimes, and I'm sorry, I don't mean to be. In the future I'll try not to be. But its been fun. Lots of luck in the future and I hope to see you next year.

Barry

Sandra,

I have enjoyed knowing you this year. I really got to know you (Is that good or bad?) Hope you have a nice summer and get the job you want. Improvement is necessary!

Elaine Smith

To a great girl. It's been nice knowing you. Have a wonderful summer & see you next year

Brenda White

Sandra ~~you~~ you are a real sweet girl. I hope you have a great summer and I hope I see you next year.
